HOSTED BY: Lafayette Instrument Company

The National Polygraph Academy (NPA) was founded with the objective and mission to provide first class polygraph training to qualified, highly motivated persons in law enforcement, governmental organizations and the private sector.

In partnership with the Lafayette Instrument Company, NPA is proud to offer a 3-day polygraph examiner training designed to address a wide variety of examiner fundamentals, as well as advanced procedures. Special emphasis will be given to learning objectives established by the registered course participants and the host agency. Subjects typically include a wide variety of testing techniques, scoring protocols, test question construction, quality control, valid polygraph principles, instrumentation and other topics upon request. This training will satisfy the continuing education requirements of the American Polygraph Association.
